

## CIF Wrestling Official Selection Process

Step 1	Nomination forms are sent to the CIF Section Commissioners
Step 2	CIF Section Commissioners send out to the accredited officials associations within their section.
Step 3	Officials association disseminate nomination forms to qualified officials
Step 4	Officials association return completed nomination forms to their respective CIF Section Commissioner
Step 5	CIF Section Commissioner forwards those signed documents to Duane Morgan at <a href="mailto:duanemorgan6@icloud.com">duanemorgan6@icloud.com</a>
Step 6	CIF Wrestling Officials Selection Committee selects 9 new officials.

1. Any official who is returning/selected for the state championships must work the section tournament from which they represent.
2. Any official who is returning/selected/nominated for the state championships must attend the annual state rules interpreter meeting
3. The only exception would be if that official is working at a higher quality event-such as a NCAA Qualifier or have an unforeseen extenuating circumstance, during the section finals and cannot attend-the official would be allowed to forgo the section tournament and allowed to referee the state championships. This exception must be granted by the section commissioner.
4. This exception still requires an official to apply through the above process and attend the rules interpretation meeting.
5. The following returning officials do not need to apply, since they were ranked as the top 15 officials in the State Championships.
